Our two-pack of purple toddler and **baby socks** includes a multi-stripe and heart design. Beautiful shades of amethyst purple are layered between chocolate brown and thin stripes of egret white for the perfect combination. The heart design is stamped with a four square of hearts in amethyst that lie against a cream background. Keep those little toes warm with our new BabyLegs socks.

All BabyLegs socks have **grippers** on the bottom. These socks coordinate with the Modish BabyLegs collection.
